The work of the Lord grow fast this last 4 months of 2016, we have an average attendance of 95 adults and 30 children every Sunday morning, 60 youth every youth program in the afternoon and 25 people every Saturday prayer watch.

Last February our church hosted our 6th Tent Revival Evangelism and we are attended by a thousand of people every night in three nights, thousands got saved and received New Testament Bible.

We are able also to hand Bibles to public schools nearest our town. Campus Crusades and Jail Ministry is being conducted.

Our Home Bible Study averages 50 in attendance by the help of our young people.

The Church building moved last January and we are presently renting and praying that God will give us someday our own lot and property.

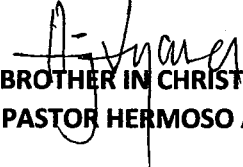

Last April Youth Camp we brought 87 young people and 13 crew to cook and at the end we baptized 12 people at the end of camp and baptized another 4 next Sunday of the said event.

Please continue to pray with us.

Thank you very much!
