SECOND QUARTER UPDATES 2015

Greetings!

God's abundant mercy and grace be unto all.

What a privilege to work in God's vineyard together with God's people who lend their hand and hearts to support us in our endeavor.

God continue to prosper the work here at Brgy. Alijis, Bacolod City. This second quarter of this year, we are glad to share with you how God worked in the hearts of every believers and how he touched the people who were reached by the gospel.

We started the quarter by attending the youth camp at Camp Canaan, Cauayan. Sixteen young people from our church joined the camp and we praised God for the revival and enlightenment we experienced in the camp. Four young people followed the Lord in water baptism and still active in serving the Lord in the church.

The month of May marks the celebration of our Pastor's Appreciation Sunday. Through this event, believers were being taught to appreciate the man of God and all those who gave themselves in God's Ministry. We were able to share our material blessings to some pastors and missionaries.

Sunday school by department started this month of June. We divide the group into different class to meet the needs of every age level.

As the school year started, we also continue our pre-school ministry. We conduct home bible study to each student and they have to attend the church service every first Sunday of the month. May God continue to bless the work.

We praise God for those people whose untiring support never fails. We are looking forward for this coming third quarter of the year for our anniversary celebration.

To God be the glory..
